We'll make it unforgettable

The Niagara Parks Commission was established 1885 to act as a guardian for the natural wonders that are Niagara's heritage. We are committed to the ongoing development of maintaining and beautifying the Niagara Parks' venues and parkland for all our visitors and their future generations.

From the thrill of your walk to the altar to the fond farewell you'll bid your guests, a wedding with us will be an inspired event in a setting like no place on earth. With an entire range of very exclusive indoor and outdoor locations for ceremonies, private receptions and memorable photographs, we can host an intimate wedding for 20 or grand production for 600. Whatever your choice, rest assured you'll receive the personal care and attention your special day deserves.

Our Niagara Parks' Wedding Specialists will work with you to answer questions, accompany you on site tours, and assist with menu planning. We'll advise you on perfect locations for photography, make you aware of discounts on ceremony site fees when you book both a ceremony and a reception with us and help with suggestions for locations of events like bridal showers, rehearsal dinners and private dinners for preferred guests.

We will assist you with our preferred partners for local accommodations, florists, photographers and can even arrange for a vintage car or horse and carriage service or a shuttle transfer for your guests. And, to make your day even more unforgettable, we offer the special touches that only a Signature Wedding with us can bring – things like an honour guard of soldiers in period uniform complete with authentic muskets, a Royal Canadian Mounted Police Officer to greet arriving guests, a grand fireworks display, illuminating the Falls and much more.
